Re: REACH Regulations and Value Plastics' Compliance

To Whom It May Concern:

Value Plastics' resin material supplier used to manufacture Value Plastics products numbers does not contain any of the Annex XIV candidate chemicals proposed to be Substances of Very High Concern (List as of June 20, 2011) above the 0.1% threshold as stated in REACH (Article 57, Regulation No. 1907/2006) determined either through (i) non-use of the substance, (ii) mass balance calculation, or (iii) specific testing. The current list of all SVHCs can be found at the following link to the ECHA website:
