

VALUE PLASTICS®, INC.
SPECIALISTS IN FLUID CONNECTIONS™

FOR IMMEDIATE RELEASE

Contact: Will Stone, 970-267-5221, wills@valueplastics.com

Value Plastics announces the immediate availability of its newest full-line catalog of precision fluid management components, Vol. 23.

The new catalog contains detailed information on thousands of products and includes all new products recently introduced:

- *XQC Series quick connect fittings that interchange with other plastic connectors (pp.8-11)*
- *TSC Series small bore tapered-seal options to luer fittings (p.30)*
- *DCV Series double check valves for fluid transfer applications (pp.12-13)*
- *SF Series sanitary-end fittings for biopharm fluid transfer (pp.14-15)*
- *BPLF Series quarter-turn blood pressure cuff connectors (p.28)*
- *A range of connectors now available in Animal-Free Polypropylene resin (various)*
- *Build-a-Part™ bondable components: when something really unique is needed (pp.64-67)*

in addition to a wealth of technical information to assist you in selecting the best components for your application, whether your application is healthcare-related, industrial or laboratory.

Digital PDF copies can be downloaded at http://www.valueplastics.com/literature_center/index.aspx . Or, if you prefer, physical copies may be obtained by submitting a request online at <https://www.valueplastics.com/marketing/reqcatalog.aspx> or calling Value Plastics Inside Sales at 970-267-5200 (toll free in U.S.A. at 888-404-5837).

Value Plastics, Inc. makes and markets an innovative line of fluid management components designed specifically for flexible tubing. Products designed and manufactured include quick connect fittings, luer fittings, check valves, tube-to-tube fittings, threaded fittings and blood pressure monitoring components. Value Plastics products find global application in demanding healthcare OEM, research and specialty industrial applications.
