

VALUE PLASTICS, INC.
SPECIALISTS IN FLUID CONNECTIONS™

FOR IMMEDIATE RELEASE

Contact: Will Stone, 970-267-5221, wills@valueplastics.com

Value Plastics announces the immediate availability of its newest full-line catalog of precision fluid management components, Vol. 24.

The new catalog contains detailed information on thousands of products and includes all new products recently introduced:

- *SBL Series quick connect fittings for small-bore reusable applications in all fluid delivery areas (pg.9)*
- *SCV Series single check valves, available in anti-siphon or one-way check valve configurations (pg.12)*
- *XQC Series quick connect fittings add convenience to your repetitive connect-disconnect requirements (pg. 10)*
- *DCV Series double check valves are designed to enable clean transfer of a fluid from a storage container to a point of use (pg. 14)*
- *SF Series sanitary fittings (sanitary couplers) mate our 600 series barb to a sanitary end flange (pg.16)*

in addition to a wealth of technical information to assist you in selecting the best components for your application, whether your application is healthcare-related, industrial or laboratory.

Digital PDF copies can be downloaded at http://www.valueplastics.com/literature_center/index.aspx . Or, if you prefer, physical copies may be obtained by submitting a request online at <https://www.valueplastics.com/marketing/reqcatalog.aspx> or calling Value Plastics Inside Sales at 970-267-5200 (toll free in U.S.A. at 888-404-5837).

Value Plastics, Inc. makes and markets an innovative line of fluid management components designed specifically for flexible tubing. Products designed and manufactured include quick connect fittings, luer fittings, check valves, tube-to-tube fittings, threaded fittings and blood pressure monitoring components. Value Plastics products find global application in demanding healthcare OEM, research and specialty industrial applications.
